Since originally founded in 1987, as a residential cleaning company, Ames Services, has continued to expand, going beyond cleaning just homes to providing janitorial and maintenance services to commercial clients throughout Central PA.

In December 2008, Ames Services, purchased Harrisburg based groundskeeping & landscaping company, Keith Klingler Property Care in which, former owner Keith Klingler is now the Director of Grounds Services for Ames Services.

Ames Services still continues to expand in many areas, including opening two more new businesses earlier this year - The Annex “A venue where folks can buy and sell” on N. Railroad St. in Palmyra and Susquehanna Flooring located in lower-level of their corporate office in South Londonderry Twp at 240 Hinkle Road, Annville. The brand new 2000-square-foot showroom is open Mon-Wed 9am to 5pm, Thur-Fri 9am to 7pm and Sat 8am to 12pm.
